PLEASE NOTE

NO SMOKING IN ANY BUILDINGS

NO DOGS ALLOWED

Stabling will not be allocated until correct payment is received, 10 days prior to show commencing. Competitors must notify TRACEY AMJAH, 7 days prior to your arrival of any stables not required, so those on waiting lists can be accommodated. Interstate and country competitors will be given preference.

STABLE MONEY WILL NOT BE REUNDED unless a valid reason is given (eg injury, fire floods etc.). TRAINERS are responsible for collecting all unpaid clients' fees. Please park in a straight line to leave room for others. Please use safety power leads to comply with insurance requirements and to ensure the safety of people and horses, where leads are lying on the ground. To lessen the enormous drag on power, **please switch off any appliances not in current use** – particularly in winter.

Any person or member of the public coming to this property, paying or otherwise, do so entirely at their own risk, and are responsible for any damage or injury caused or suffered. The propriety and staff are not in any way responsible for people or horses.
